

REMARKS

The Examiner kindly found the subject matter of claims 1-6 to be allowable over the prior art. However, because of typographic errors, claims 1, 2 and 5 were deemed to be indefinite.

Claims 1, 2 and 5 are amended to improve their form. The amendments to these claims are for cosmetic improvements and to remove the aforementioned errors. It is submitted that these claims, as originally presented, are patentably distinct and were in full compliance with the requirements of 35 USC 112. Changes to these claims, as presented herein, are not made for the purpose of patentability within the meaning of 35 USC sections 101, 102, 103 or 112. Rather, these changes are made simply for clarification and to improve their form.

Claims 1-6 are in this application and are believed to be in condition for allowance. An early notice to that effect is respectfully solicited.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
